Subject: Notice of File Closure, Dove Gray Quarry, S/049/039, Utah County, Utah

Dear Mr. Haas:

The Dove Gray Quarry small mining permit, file number S/049/039, located in Utah County, Utah, will now be closed and the file retired.

On June 17, 2007 a site inspection was performed and it was determined that the site has satisfactorily been reclaimed and can be fully released.

The Division hereby releases you from further reclamation responsibility at this site. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice and surety for approval prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5258 or Lynn Kunzler at (801) 538-5310. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,
